

Information for participating households

What do I need to do?

1. Identify items that you wish to sell/give-away in the garage sale. Consider what you will charge for these and label with a price. Remember to have some change available.
2. Identify a suitable and visible site within the property boundary such as the driveway or front lawn where items to be given away or sold are to be placed.
3. Print the Garage Sale sign ([download it here](#)), or make your own, and display it near your selected area and within your property boundary. If you do not have access to a printer, pick up a poster from your participating Council.
4. On the morning of Second Hand Saturday, place items to be given away or sold in your chosen location/area within your property. Plan to be there to keep an eye on what is happening and to meet local shoppers.
5. When you pack up, please remove the sign and remove unsold/leftover goods to avoid fines. You are responsible for any items that have not been removed. Take these to your local waste management centre or charity shop, save them for another garage sale, or sell them through e-bay, on-line classifieds or other. This year we are also giving everyone who signs up for Second Hand Saturday on the 23rd September, the opportunity to sign up for free on-line listing of their garage sale the following weekend on Saturday 30th September as well. That will give shoppers double the chance to get around on both weekends!

THINGS YOU NEED TO KNOW

Who is participating?

A list of participating Second Hand Saturday garage sale addresses will be published FREE OF CHARGE from 20 September on-line at www.secondhandsaturday.com.au. We also have a search app and map to make it easier for people to find garage sales which have the items they are looking for. Garage sale addresses will also be advertised in your local free newspaper from Monday 18 September: Byron Shire Echo (for Byron Shire residents only), Ballina Advocate (for Ballina residents only), Northern Rivers Echo (for Lismore City Council residents only), Richmond River Express Examiner (for Richmond Valley and Kyogle residents only), The Clarence Review (Clarence Valley residents only), The Tweed Link (for Tweed Shire residents only) AND on Saturday 23 September in either The Weekend Star OR The Daily Examiner (Clarence Valley residents only).

Exclusions

No dangerous goods, chemicals, faulty electrical equipment, firearms or rubbish.

Where to place materials

All materials must be within the property line and preferably in a separate area such as the driveway but not on the nature strip.

Timing

The starting time advertised will be from 8am. You can pack-up at a time suitable to your household. Please be aware of early-bird shoppers.

Weather

Second Hand Saturday will occur in the region despite any prevailing weather conditions. You might consider a wet weather plan (eg holding the garage sale within your garage in the instance of rain).

Supervision

It is your responsibility to supervise the site and it is advisable to be in attendance at all times to ensure that only items proposed to be given away or sold are taken.

What to do with leftover materials?

Remove and save for the following weekend's Second Hand Saturday on the 30 September, or take to your local waste management depot or charity shop.

Disclaimer

By your participation in the Second Hand Saturday activities you agree to abide by the terms & conditions set out in this brochure and that North East Waste, your local Council (as the event organisers) and/or APN Regional Media, NBN TV (as the event sponsors) have no liability to any person for any loss of or damage to goods or for injury to or death of persons whether arising from negligence or otherwise and in any way caused by or connected with the Second Hand Saturday activities.
